

# IMPACT REPORT

OCT. 1<sup>ST</sup> 2020—SEPT. 30<sup>TH</sup> 2021

Draft Gratitude gives senior working horses a second chance and a place to call home. Our main focus is aged farming horses in need of a safe retirement.

We save as many as we can within our means. Our position on rescue will always be based on quality of care over quantity of saves. We are an all-volunteer, nonprofit organization.

Draft Gratitude has been verified by the Global Federation of Animal Sanctuaries and is an Equus Foundation Guardian.
