

IMPACT REPORT

OCT. 1ST 2021—SEPT. 30TH 2022

Draft Gratitude gives senior working horses a second chance and a place to call home.

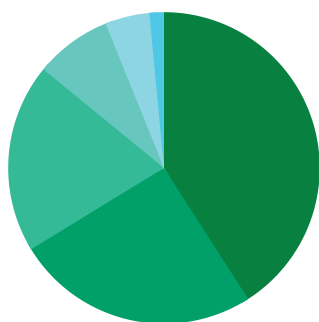

We focus on aged farming horses in need of a safe retirement.

Our position on rescue will always be based on quality of care over quantity of saves. We save as many as we can within our means and provide them with a lifetime of safety.

Draft Gratitude is Global Federation of Animal Sanctuaries verified and is an Equus Foundation Guardian.
